The refund cannot be effected until I return the draft to you, you have received definite advice from your bankers that the draft is unpaid and that the original instructions have been cancelled and your bankers have refunded to you the Sterling value of the draft at the buying rate on the day when the refund takes place.

I also understand that if the draft is lost, stolen or destroyed, no refund can be effected or substitute draft issued until such time as I provide you with a form of indemnity satisfactory to yourselves.
